

Andrew Constantaras
Regional Business Director
South Pacific Division
U.S. Army Corps of Engineers
San Francisco, California

Selected to the Senior Executive Service in January 2008, Mr. Andrew Constantaras serves as Regional Business Director of the South Pacific Division—one of eight U.S. Army Corps of Engineers regions nationwide. Established in 1888, the South Pacific Division has four operating districts, headquartered in Albuquerque, Los Angeles, Sacramento, and San Francisco. These districts provide federal and military engineering support in California, Arizona, Nevada, Utah, New Mexico and in parts of Colorado, Oregon, Idaho, Wyoming, and Texas.
